

## JAMES ENGINEERING CORPORATE OFFICE

<b>PROJECT TYPE</b>	<b>CORPORATE OFFICE</b>
<b>SITE + LOCATION</b>	NOOSA STREET, HEATHWOOD
<b>PROJECT STATUS</b>	CONSTRUCTED
<b>SERVICES</b>	TOWN PLANNING + ARCHITECTURE + INTERIOR DESIGN

HPC Urban worked with their Client James Engineering to obtain town planning and building approvals for extensions to site building works at Noosa Street Heathwood.

HPC architects worked closely with the client on the design of their corporate office building, interior layouts and finishes.

The building incorporated lightweight materials mixed with glass and vibrant colours to achieve the client's request for a modern structure with industrial themes.
